Sir:

Prior to examination, please amend the above application
as follows.

IN THE CLAIMS

Cancel claims 1-11 without prejudice or disclaimer.

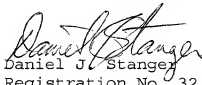

REMARKS

The Applicants request entry of the foregoing amendment.

Claims 1-11 were part of the specification originally
filed in the prior application. New claims have been added in
the new specification filed for this continuation application.
Claims 1-11 were contained in the new specification as filed

concurrently with this Preliminary Amendment, for the purpose of ensuring specification support for the subject matter contained therein. However, the Applicants do not wish to pursue examination of claims 1-11 as presently submitted, in this continuation application, and thus they have been canceled. The Applicants do not disclaim any of the subject matter of claims 1-11.
